

Open Education Week is a celebration of the global Open Education Movement. Its purpose is to raise awareness about the movement and its impact on teaching and learning worldwide.

OpenMed project will celebrate Open Education Week with scheduled events including webinars, guest speakers, and online conversations.

OpenMed - Opening up Education in South Mediterranean Countries - is an international cooperation project co-funded by the Erasmus+ Capacity Building in Higher Education programme of the European Union during the period October 2015 - October 2018. The overarching goal of OpenMed is to raise awareness and facilitate the adoption of Open Educational Resources (OER) and Open Educational Practices (OEP) in the **Arab Mediterranean region**, with a particular focus on Egypt, Jordan, Morocco and Palestine.
